Introduction

Ashwell State School
‘Tradition of Excellence’

Confidence, persistence, organisation, getting along and resilience.

Ashwell State School’s vision is to continually provide an effective learning environment where students are challenged to reach their potential and strive to excel. This is achieved by:

- providing an enjoyable and safe educational setting
- encouraging innovation and creative thinking
- fostering an acceptance and respect for all members of society
- recognising and accepting that everybody has rights and responsibilities
- demonstrating fair and equitable practices
- promoting the child’s physical well-being through appropriate programs
- developing intellectual processes that facilitate independent learning nurturing the child’s self-esteem and assertiveness to develop healthy emotional growth and foster a love of learning

School progress towards its goals in 2011

*Implementation of the Australian Curriculum in English, Maths and Science and ‘adopt and adapt’ the C2C unit plans
*Embed data analysis as the catalyst for differentiation and an improvement in student learning outcomes
*Work towards a ‘High’ with the Teaching and Learning Audit in each of the domains
*Provide for the professional development of all staff through the Performance Development Tool
Future outlook

Developing of a consistent whole school approach to the teaching of reading
Improve student outcomes in reading
Development of a whole school approach to the teaching of numeracy in our school consistent with the structure, design and purpose of the C2C units
Improve student outcomes in reading retention, attainment and transition of students
Continue to maintain links with Rosewood High School – Days of Excellence, Orientation Days
Curriculum Planning
Implement C2C unit plans in English, Maths and Science
Ensure the whole school curriculum plan is reviewed and updated to align to the Australian Curriculum and the Essential Learnings
Regular discussions in staff meetings to determine the success of the C2C unit implementation
Response to Teaching and Learning Audits
Continue addressing specific actions from 2011 T&L Audit Action Plan
Planning for Improvement
The school assessment schedule tracks student progress across the year and provides direction to teachers in making judgment on student semester reports

How Information and Communication Technologies are used to assist learning

At Ashwell State School computers are viewed as essential learning tools to enhance the learning outcomes of students. Student’s confidence in using various Information Technologies including laptops, desktops, digital cameras and digital projector allows windows to be opened up to the world. Students enjoy a high ratio of computers to students (4:1) and have access to a media centre of 12 computers as well as computers in the classroom. Students are exposed to a variety of programs to provide them with multiple tools to enhance their learning experiences. Classrooms will be fitted with whiteboards and data projectors this year, as teachers begin to use more electronic teaching tools.

Social climate

Ashwell State School is situated approximately 20kms from Ipswich city, in Metropolitan district. The school is located on Reinke Road on the outskirts of Rosewood. Rosewood is a small country town with a population of approximately 3 000. Ashwell State School was established in 1887, the year 2012 will mark the school’s 125th anniversary. Currently, the school has an enrolment of 67 students in P-7, coming from 54 families.

Many of our students live in the township of Rosewood and within close proximity to the school; the school population being made up of families following rural pursuits, and residents in the township working within the surrounding area. We have well established transition programs with Rosewood State High School, being the main feeder high school for the area.

Historically, the school has been the centre of a small farming community, but other occupations such as education, transport and manufacturing are also common occupations in the area. The majority of families...
from Ashwell have English as a first and only language. Students come from two parent or single parent families.

Currently, the school operates with three classes – P-2, Yr 2-4 and a Yr 5-7 class. Our teaching staff consists of a Teaching Principal, 2 full time teachers, Principal Relief teacher, 2 Teacher aides, an Administration assistant and a school cleaner. Specialist teachers also visit our school – Music, Physical Education, Learning Support, Speech Language Pathologist and Guidance Officer. We also have access to Advisory Visiting Teachers and Behaviour Management Specialists.

### Involving parents in their child’s education

Parents are a child's first teacher and are encouraged to be an active participant in their child's education by keeping up daily communications, inviting parents and the community into the classroom or to the school for special events and excursions, daily reading, group work and classroom support and to help plan for the future of Ashwell State School. At the start of the year, parents are invited to an information session about how the classroom is run, with further information about learning and classroom activities in each newsletter.

Ashwell State School has a strong sense of community - parents are encouraged to become active participants in their child’s education at Ashwell. These relationships help to foster our student's learning in a safe, supportive environment. Newsletters (sent fortnightly) and Assembly (weekly) are showcases for the children’s academic, sporting and social achievements.
Reducing the school’s environmental footprint

Data is sourced from school’s annual utilities return and is reliant on the accuracy of these returns. Students and teachers are encouraged to use electricity wisely – turn off lights, air conditioners and electrical products when not in use, or when leaving the classroom. Students are working on ways to reduce waste – reuse items and use scraps in the worm farm or compost.

Performance of our students

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

Non-attendance is monitored by the teachers and Administration. If a student is absent for 2 days without notification, a phone call is made to the parent. Consistent non-attendance without notification is referred to Student Services.

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at http://www.myschool.edu.au/.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following 'Find a school' text box.

Where it says 'Search by school name', type in the name of the school whose NAPLAN results you wish to view, and select <GO>.

Read and follow the instructions on the next screen; you will be asked to accept the Terms of Use and Privacy Policy before being able to access NAPLAN data.

If you are unable to access the internet, please contact the school for a paper copy of our school's NAPLAN.

Achievement – Closing the Gap

At Ashwell State school, we had a population of 7 Indigenous students in the school, just over 10% of our school population. Our students’ attendance rate is good, with 86% of students attending school in between 90 to 100 days.
